10 White Parramatta Crusaders Loss on Averages

Our boys were given a bit of a lesson by a team with the majority of players having been together for 3 years. Hats off to the Crusaders who bowled and batted very well and made us fight for every run whilst also very disciplined in both attack and defence. The "Whites" never gave in though, going after every ball to minimise runs and went for every half chance in the field.

Some great positives came out of the game with Sanjam and Benedict showing improvement with the bat, hitting some good shots but unfortunately couldn't get amongst the runs this time. Pat, Michael and Aden were the top scorers with Brendan taking the only wicket with the ball, a nice caught and bowled.

Congrats to the Crusaders and great effort to the Baulkham Hills boys.

11/3 7 for 131 & 4/25 Hills Barbarians 10 for 62 First Innings Win

Hills Barbarians won the toss and Baulkham Hills batted first.

Another great team effort and a well deserved win against the competition leaders who were unbeaten until they met this improving Baulko team.

The team batting was solid in the first week as Josh (22) and Sudaraka (32) showed good concentration and technique to score the best team partnership of the season and help set the opposition a competitive score to chase.

Max P, Patrick and Aaruran also played some stylish shots and frustrated the opposition bowling and fielding in hot conditions.

The team fielding and enthusiasm has been fantastic and this game again saw the boys take some classic catches. The phrase "Catches win Matches" is true for this team.

Max W took a hard hit catch at square leg, Sudaraka took two catches for the match with one a well judged overhead running catch behind slips, Aaaruran took a neat catch at point and Patrick also chimed in with two solid catches for the match.

Our bowling is also improving quickly as we minimize our sundries each game. Max P bowled very accurately and a good length to finish with 3/10 off 4 overs. Aniruddh was again hard to score off and finished with 4/6 off 8 overs. Josh chimed in with 2/13 off 4 overs and Patrick T once again took an important wicket for the team and finished with 1/4 off 4 overs. Jack, Max W and Jake also bowled well and restricted the opposition scoring.

Well done boys, keep up your hard work at training and keep working on your all round cricket skills and good results against top 4 teams like this match will continue.

Moses Chen 2/20

Luke Jerome 60

Jimmy Farrell 20 n.o

Aidan Gioffre 35

Another lost toss (that's 4 in a row Stephen!). We were sent out to bowl again on a day built for batting. We got off to a great start Moses getting a wicket from the first ball of the day. The 2nd wicket partnership was 48 runs but it took them 25 overs to get it. Our fielding was finally back to our high standard. We went hard after everything although a few tough catches went down. Incredibly, they only got one boundary in the whole day when one batsman went for a slog in the last over. Our run outs deserve special mention. Moses with a direct hit, Stephen & Luke both with rocket throws to the keeper. To keep them to fewer than 200 runs on our ground was a great result. Week 2 finally saw something go our way for a change. We finally got to bat in decent conditions! Luke & Jimmy got off to a great start but Jimmy forced to retire hurt with the score on 22 after being peppered by some very accurate bowling. Despite losing a very battered & bruised Jimmy, the conditions were ours for the taking. Aidan came in to bat with Luke & the pair batted very patiently & put on a partnership of 92. Aidan very unlucky to nick one for the keeper. Jimmy had now recovered after being on ice & a 25 over rest & resumed his innings. The runs came easily until Luke finally got bowled by a nice inswinger. A well earned 60 runs for just over 2 ½ hours at the crease. Moses finally got to bat at number 4 & quickly compiled 13 n.o with some entertaining batting. We were only chasing less than 3 runs per over. Our batsmen followed our batting plan. They kept the ball on the ground, didn't do silly shots & won the game with plenty of overs to spare. A great result, well done boys.

14/1	10 for 162	Winston Hills	10 for 142	First Innings Win
------	------------	---------------	------------	-------------------

It is probably best to say at the start that this game was neither our best, nor was it completely bad. A little ordinary may be close. As for Winston Hills, they bowled well and showed great application in their batting. For a game we should have won easily, it turned out to be quite close indeed.

Batting first we got off to a steady start. Adam and James opened the innings and looked well matched as an opening pair. Our running between the wickets was a little slow and the score ticked along slowly but at least we were valuing our wickets. Soon though our first wicket fell, James gone for 11 after pushing back a slow 'dolly' to the bowler who took a comfortable catch. Chris then came to the wicket after being elevated to No. 3 and set about knuckling down for a long innings. A very impressive 80 run partnership followed, Chris starting very slow but finally found some pace; Adam progressing nicely and earning himself a good half-century. Unfortunately from here things went a little pear-shaped. Adam was run-out in an awful call for a well-earned 58 that could have been a lot more (2/105). Michael soon followed in another run-out for just 1 run (3/108) and Kapil, also scoring 1, made it three from three run-outs (4/114).

Hmm... this wasn't the game plan.

But apparently I was wrong. As I would be shown this was our game plan. Two more run-outs later in our innings to Ibteeda and Brad, both for 3 runs, made it our teams' first 'five-for' for run-outs in a single innings. Probably not a record but one this coach doesn't want to see challenged **ever again (what were you lot thinking? Usain Bolts everywhere!)** Other scores included 34 to Chris (a welcome return to runs), 24 to Blake (and nicely struck) and 6 not out to Luke who may just have hit the best straight drive ever! That timing was superb!

At the end of the innings we were all out with more than three overs still to go for 162. Probably enough but at 2/105 in the 36th over, it should have been 200+.

Week 2 and Winston Hills looked determined to occupy the pitch for as many of their 64 overs as possible and I knew if they managed to bat them out they would go close. Thankfully, although they batted well and posted a good solid score of 142, we managed to punctuate their innings regularly with wickets. Indeed, each time they looked settled and ready to claw back some runs another wicket would fall and keep the game in our favour.

Wickets were shared and went to Kapil (1/2 off 5 overs), Michael (1/7 off 10 overs), Jake (1/20 off 7 overs), James (3 for 25 off 10 overs), Adam (2 for 15 off 10 overs), Chris (1/16 off 4 overs) and Ewan (1/12 off 3 overs). Other fine bowling efforts included Brad (0/6 off 5 overs) and Ibteeda (0/13 off 10 overs). All up 63 of the 64 overs were bowled. Credit must be given to the team for bowling their overs quickly and economically but credit must also be given to Winston Hills for almost batting out their full allotment of 64 overs – no mean feat indeed.

Well-done guys. We're 5 from 5 but we are looking a little less than our best. We have two important games coming but first a bye. Enjoy your game off.

Baulkham Hills won toss at elected to bat

Sumal Fernando 38
 George Joseph 29
 Tom Waddups 3 for 21
 Ravi Marwah 2 for 22

On the one hand, this was a difficult loss to accept. We appeared to be on top throughout the whole game, yet the result did not go our way. On the other hand, despite losing the game the boys showed the true grit and determination we have been looking for all season, and were dominant and competitive in all aspects of the game.

In short, we took 47 overs to get our 188 runs. The other team took 72 overs to get passed this score. The fact that we didn't bat out our overs was again the difference – and underlines our requirement to be more patient with the bat before we can move on to winning any games. We had a full team for 2 out of the 7.5 hours of the game for the first time this season, and in this two-hour session we dominated. It just goes to show that having 11 on the field beats playing short all the time!

With the bat, all of our players got a start. Unfortunately no one went on with it to build a big score. George (29) and Sumal (38) were again the backbone of our innings. But all players showed the potential we have in the team. If we can ever get close to batting out our 63 overs we will prove to be very competitive.

With the ball we were excellent. We kept the opposition batsmen pinned down – and the fact they needed so many overs to get the runs is a testament to the good line and length we were providing. Our fielding wasn't too bad – but there were too many occasions where a misfield either allowed the pressure valve to be released or allowed one of their weaker players to get off strike. We need to improve in this aspect of the game.

Despite this being a case of 'what could have been', we also need to take our hat off to the opposition. Both their batting and bowling attacks were reduced thru injury, and the patience and application showed by their top-scorer, and the blistering quick-fire 20+ runs put on by their number 10 in the dying stages of the game were top-order stuff.

We got a lot to take out of this game. It feels like a win is just around.

Kings Langley went into bat in fine conditions on the first day. After Baulko took 2 early wickets an innings of 122 from former Baulko player Will Dokhter, along with good support from several other batsmen saw Kings Langley compile the formidable total of 297. Neshan Dias picked up 4 for 56 with his spinners while Dilshan Fonseka continued his good season with the ball taking 3 for 53. The Baulko reply struggled to gain momentum despite a fine 34 from skipper Ricky Kapoor, and was all out mid way through the second day for 71.

With a lead of 226 runs on the first innings Kings Langley enforced the follow-on but an excellent unbeaten 64 from Neshan Dias, well supported by 27 from Ricky Kapoor saw Baulko safely through to stumps.

B11	10 for 228	Kellyville	9 for 60 & 8 for 95	First Innings Win
------------	-------------------	-------------------	--------------------------------	--------------------------

Kellyville won the toss and elected to bat. Conditions were dry and hot. After a moral victory the previous week the B11 team were looking to post points on the leader board. It didn't take long for the bowling to rip through the opposition with M.Sibley, L.Bertus, M.Waddups and D.Sparks sharing the wickets. Consistent line and length, good support in the field and some agricultural batting saw Kellyville dismissed for 60 runs.

With the most part of the day to bat our expectations were high. It wasn't long before the tables had turned and we were sitting in the hot seat at 5/27 and the sun was yet to drop. We needed a partnership and we delivered three big ones. K.Balzarolo (19), T.Pittman (48), A.Sibley (30) combined with G.Gersbach (84) to give us a solid first innings lead, ending the innings one hour into day two. Once again our bowlers aimed up and gave the middle stump a real workout delivering us our first outright win of the season. It was an excellent effort by the team, half of which are celebrating leaving school, the other half worried about their son's celebrating leaving school, and the rest can be found at the sports club celebrating anything they can.

Man of the Match – Mark Gosling – 51 runs and 5-105

B9 fell out of the Top 4 for the first time this season with a big loss of an innings and 116 runs. Despite the loss, we did find some positives out of the game. Gos took his first five-wicket haul for the club when he switched from medium pace to spin. He also got his first half-century of the season and relished the opportunity to bat at 5 in the second innings. Ben Renshall, Adam Fahey and Greg Leeson all played their first games of the season and showed signs of having good seasons.

Ben took two spectacular catches at mid-off, bowled accurately and also batted soundly at Number 4. Adam, after a slow start, found good pace and rhythm and can expect to take lots of wickets in coming games. Greg found some form in the second innings with the bat and is likely to make a lot of runs in coming games. Also, Tim Renshall took his average over 100 when he was dismissed for the first time in the second innings.

Despite the loss, there are signs of good things to come for B9.

On a sunny day at Second Ponds, the permanent stand-in skipper won the toss and decided we should have a bat. With orders to bat all day ringing in their ears, the two openers ventured out to the middle. AN decided he wasn't going to bat all day, and after offering up numerous missed chances and dropped catches, finally managed to depart the scene. In went our permanent stand-in skipper, looking forward to keeping his average up over a hundred. His first boundary was followed by a thunderous cut shot past the guy in the gully – no, wait, it stuck in his fingertips – the skipper trudged off the field, past a very sheepish AN. Some solid batting followed for the rest of the day, with the team indeed batting all day, as ordered, leaving the opposition 253 to win on day 2. The only surprise was seeing Denlow NOT get out LBW, but bowled off the face of the bat, watching the ball spin under his bat on to the stumps, from an almost text-book forward defensive shot off their spinner.

Best of the batsmen were AG – 67, Ward – 45, Denlow - 37, Ben – 32, and Josh who looked solid and hung around with AG for an unbeaten last wicket partnership of 42.

Day 2 saw us in the field with a surprise – the invisible captain turned up, AND he brought his whites! The invisible captain ventured into the field and first slip after the first drinks break, and over the next couple of hours made his presence felt for the first time this season. Dropped an absolute sitter of Ward (sorry mate!!), took a screamer of BJ (see, I can catch), and dropped another sitter off Josh (sorry mate!!). After all that, he snuck off the field to let the team get on with the task of winning the game. Not to be outdone, the permanent stand-in skipper managed to grass three catches, but they were all off his own bowling!!

Some good bowling by all, but the best figures belonged to the skipper - 4/42, Josh - 2/23, and Matt - 2/38

Round 5

After being brought back down with a defeat last game, the boys were determined to get back in the winning circle. The skipper won the toss (first this season) and we batted first on a relatively hot Saturday afternoon. Greg (19) was first to go, with Rob looking like a man out of form at the other end. This being said, Rob showed the grit of previous seasons, to hang around in the tough times throughout the day. We really battled today to hobble along for most of the day, with batsman 3 to 8 all scoring between 6 and 9 and spending time in the middle to hang around with Rob. The turning point of the innings was when Sam came in at 9 and put on a quick fire 32 to push us up over 200 (being 7/154 when he came in at 5:15 pm). Sam fell caught at Long Off to a bowler in his 20th over straight to give him his first wicket (yes 20 overs not creating chances, must have been best mates with their skipper) and Keith was quickly fired by the B & W to leave Rob 90 no with the number 11 coming out to bat. Richard was quite nervous, but he did extremely well to hang around to see Rob get the 3 figures for the 3rd time this season, in his toughest and grittiest innings of the year. Rob was last man out for 103, (which saw his avg plummet from 410 to 205!), and we were all out for 235.

Week 2 came around, and we showed great discipline with the ball. Tight bowling and good fielding meant Baba's were never in the run chase, getting bowled out in the 46th over for 104 (never interested in chasing our total). Pick of the bowlers was Matt Hardy (4/16 off 14) and Evan (2/11 off 8), with Richard (2), Josh Rich (1) and Josh Freeman (1) also getting amongst the wickets and getting some good match practice with the ball. Hard work in the nets seems to be helping these guys. Well done on getting back in the winners circle fellas.

Round 4

We went into this game confident of a victory, given we had just smashed two teams and our opposition were yet to win a game. We had some availability issues, and wanted to bat first. Unfortunately the skipper lost the toss and we were put in the field on a warm day. Week 2 would have seen 2 of our main 3 bowlers available, but instead we were playing with 10 players, and limited bowling attack. In saying this, all the bowlers gave it a good crack today, as the opposition showed a lot of discipline with the bat, waiting for the loose balls. The opposition were 5/200 odd and we managed to clean their tail up to bowl them out for 246 at 5:40 pm. Unfortunately for us this was 5 minutes too early and we would therefore have to bat. Best of the bowlers were Matt Hardy (3/63 off 18), Greg McLoughlin (1/43 off 15), and Josh Rich who did well to clean up the tail (3/31 off 9). Aaron bowled well to go unrewarded off his 11 overs.

So to the bat, it didn't start well. We lost Rob (0) and Keith (0) within the first 8 balls of the innings. This ended Rob's streak of 307 runs without getting out, as he went for a duck after smashing a ball straight to cover. Aaron and Richard (night watchmen) steadied the ship to have us 2/40 overnight.

Richard (14) was first to go on Week 2 with the score on 51, and we lost 3/3 to be 5/54 with Aaron (37) and Matt (0), both back in the sheds. Josh Freeman and Greg steadied the ship, but as per usual, drinks would be the downfall, losing 2/1 straight after drinks with Josh F (20) and Sam (0) following in quick succession. Tom joined Greg in the middle, and they steadied the ship again to take us up to 121, before Greg (20), copped a rough one from the umpire (when quizzed the umpire said it hit on the back leg in front of middle when in fact it hit the front pad above the knee roll outside leg stump on a short one which stayed low). Tom was next to go for 30, and this all but ended the game. Well done to the opposition, who shows discipline with the bat and with the ball, and completely.

B1	10 for 207	AKA Crusaders	5 for 214	First Innings Loss
-----------	-------------------	----------------------	------------------	---------------------------

Day 1 and the ump said COME OUT AND PLAY. Pat won the toss and after one look at the pitch he decided it was a BELTER and we batted. Mango took strike and the new ball was HIT SO HARD as he got the scoreboard going. Chesh was batting like a WORKING CLASS MAN and GOD ONLY KNOWS how the ump gave him out caught behind off his pad. MY MY MY MY, the opening partnership was a HARD ACT TO FOLLOW and BILLIE "JEAN" Jerome came in next and the captain's instruction was DON'T STOP 'TIL YOU GET ENOUGH runs.

Hush was BORN TO TRY, but edged behind LIKE A NATURAL WOMAN and then Steven "I BET YOU LOOK GOOD ON THE DANCE FLOOR" Sarlog strode to the middle and the ball was soon ROLLING IN THE DEEP as he set about dismantling the bowling. JB had had a HARD DAY'S NIGHT at his footy presentation and rumour is that he caught the LAST TRAIN TO TRANCENTRAL at 3AM ETERNAL. Consequently he was a DAYSLEEPER instead of contributing much with the bat. The middle order was FALLING TO PIECES.

It was PLAYGROUND LOVE when Hoffy and Matrick came together, but the partnership was ALL TORN DOWN not long afterwards when Pat holed out at mid on. Dave was KILLING ME SOFTLY with his batting, but despite some JIVE TALKIN' from the opposition the final wicket was STAYIN' ALIVE and ticking along the scoreboard. Masso was lucky the skip said YOU CAN LEAVE YOUR HAT ON as he was struck in the head by a bouncer. Hoffy was eventually THUNDERSTRUCK when given out lbw to a right arm around the wicket outswing bowler. The only answer: the ump was on DRUGS.

Hush was MORE THAN A WOMAN as news of his deception of the previous week broke and with a LITTLE HELP FROM MY FRIENDS he may attract some Muller votes this round. Hush's girlfriend wishes she was still LIKE A VIRGIN as it's NOT FAIR how she always says that I CAN'T GET NO SATISFACTION. He's a NAUGHTY BOY! Sloggy came out LATE IN THE DAY with the new red CHERRY ARMOUR and was ALL FIRED UP, but was running out of PATIENCE with the dropped catches.

Day 2 and Baulko came out of the LOVE SHACK (change room) and the skip said DON'T LET ME DOWN, I'm looking for SOMETHING SPECIAL today. Woodsy was HOT N COLD with the ball but it was NOTHIN' BUT A GOOD TIME when he struck to get rid of the opener. Sloggy was bowling well and spent his time at fine leg showing us some BODY MOVIN' to the tunes playing from the big top next door. He eventually got some reward when Dougie's JUMP produced an AMAZING catch at gully. OH YEAH!

Pat "DR FEELGOOD" Mamo looked to KICKSTART MY HEART when he took the CHERRY BOMB, but it was his cousin who brought the THE SOUND OF SILENCE to the opposition when he struck and the team was in PATMAMODISE when the skip took the catch. Hoffy had MORE THAN A FEELING when he suggested field changes and Hoax was LIVIN' ON A PRAYER if he thought he was going to take a catch.

Adam "BORN THIS WAY" Shearman was a THORN IN MY SIDE one minute and MY BEST FRIEND the next, and Matrick set the field in a RING OF FIRE around the batsmen. Dave was ALWAYS ON THE RUN and Amar's shoulder injury meant that his off SPIN SPIN SUGARS were just a TEENAGE DREAM. Chesh was ROAMING the field and ANOTHER ONE BITES THE DUST as Hoffy was bowling in STRAIGHT LINES and lengths. JB's catch in the deep was JUST ACE and the team was going off like a BLISTER IN THE SUN when we had their gun bat lbw just before drinks.

Despite our best efforts we soon found ourselves UP TO OUR NECKS IN IT. But WHEN THE GOING GETS TOUGH, the B1's DON'T PANIC and IT AIN'T OVER 'TIL IT'S OVER. WHO'S GONNA SAVE US? Masso! The skip gave the nod and he was READY TO GO and got an over in before he was CAUGHT BY THE FUZZ after Putney Creek was dredged and his past crimes discovered.

Baulko lost, but Hoaxy rang in to say HE LOVES US...AND MEANS IT FROM THE BOTTOM OF HIS HEART...
