Cricket History (1931 Version)

The origin of cricket is shrouded in mystery, and the records of the game in its early days, hundreds of years ago, are almost non-existent. That is to be expected, but it seems unreasonable that there should be so little authentic information concerning the early days of the game in Australia, one of the youngest countries in the world. When Australia was colonized 143 years ago, the game was well organized in England and the names of the prominent cricketers of that time are well known to all students of the game today.

The first newspaper published in Australia was the "Sydney Gazette", which first saw the light of day on March 5, 1803, but this modest paper had little room in which to chronicle the sporting activities of the community, which numbered about 7,000 persons, as most of its space was devoted to Government notices. But in its issue of January 8, 1804, there appeared the following paragraph:

"The late intense weather has been very favourable to the amateurs of cricket, who have scarcely lost a day for the last month. The frequent immoderate heats might have been considered inimical to the amusement, but were productive of the very opposite consequences, as the state of the atmosphere might always regulate the portion of exercise necessary to the ends this laborious diversion was originally intended to answer."

"Laborious diversion", indeed!

The next mention of cricket is in 1810, when a "Cricket Ground" was referred to, which was called St. George's Fields (now Hyde Park). But it is not until 1826 that there is any actual recording of a cricket match, and the game did not figure at all prominently until many years later. We know, of course, that the first inter colonial match between Victoria and New South Wales was played in 1856, and the records give a complete history of the arrangements and the actual playing of that match. But of the great men of the game who were responsible for its growth from the infancy of 1803 to the mature manhood of 1856, there is little record, nor have we much that is of value regarding the many clubs that were in existence during that time. And, as the years slip past, the prospects of obtaining accurate information diminish.

Parramatta, one of the oldest towns of this country, was always prominent in the cricket world. It is not so many years since visiting English teams played matches on Parramatta Oval, and a few of our most prominent cricketers made their debut on that ground. In years to come, some historian will attempt to chronicle the cricket deeds connected with Parramatta, and loud will be his lamentations when he finds so little in the way of actual records. And so I come to the point of this somewhat disjointed paragraph: Those of you who love the game and all its traditions, should make every endeavour to preserve everything relating to the game in your big Association. Not only that, but you should collect all possible records of past years. Books, newspaper cuttings, programmes, letters, trophies, in fact, anything and everything that is associated with your early days should be collected for the information and edification of future generations. Your motto in this regard should be, "Do it now!" and your names will live to be blessed by those who in after years seek information on the early days of cricket in your district.

H. HEYDON,
Secretary, N.S.W. Cricket Association.
30/6/1931

[The above was taken from the "Baulkham Hills Cricket Club 75th Anniversary - 1919-1994", published in 1994.]

The last paragraph provides some sage advice, as we approach our one hundredth season in 2018/2019.

Pendle Hill Colts

Despite the forecast of rain, we started the day with thick cloud cover and finishing with the sun shining.

Nicholas was our Captain for this game, we lost the toss and Pendle Hill chose to bat, a decision which proved costly to their team. Tom led us off with an impressive maiden over restricting the batsman for the first over. Noah followed up coming out to bowl with the batsmen under great pressure to score. Batting mistakes followed with Ryan running out the batsman with a great direct hit, leading to the first run out for Pendle Hill. The next few overs saw a good team effort with another three wickets falling, thanks to Daniel, Nicholas and Ryan. Thanks to Josh's bowling in the seventh over, Tom was able to fire a ball back to the keeper for a run out when the batsman tried to steal a run off a no ball.

When the boys started their second overs, Tom followed up with another inspiring over - bowling Pendle Hill out twice. Noah's second over saw some strong fielding from Atticus which no doubt inspired Noah to follow up by bowling the batsman out with his next delivery. In Daniel's following over, Atticus led the charge again fielding a ball and firing it back to the keeper to score the third run-out of the innings. The next few overs saw the Pendle Hill batsman recover strongly until the final over of the innings when our wicket keeper, Ben, finished proceedings off with a great stumping.

A great team effort by the boys finishing the 1st innings in the field with ten wickets.

Zac and Josh got our team off to a great start batting confidently without losing a wicket. They were followed by Ryan, Nick, Tom and Daniel who delivered some spirited running between the wickets despite Nicholas coming off second best trying to slide home but instead falling on his bat. This brought Ben to the crease and whilst he got bowled on the second ball this only spurred him on to become our team's top scorer for the day with two consecutive boundaries. Atticus, Noah and Riley closed out the innings well with Riley pulling a ball to the boundary for a great four finishing off day one of play. Tom earned player of the day with his great bowling performance of 2 for 4 and some great fielding leading to one of the Pendle Hill run outs.

Day 2 saw us back at our home ground with the sun shining once again and the parents hunting out all available shade. Pendle Hill opened the batting once again, however they were short on players, only fielding 7 for the day which resulted in a shorter innings. Ben opened the bowling in style taking a wicket with the fourth ball of the innings. This was followed by some consistent bowling from Josh. Nicholas then entered hoping for a wicket only to be smashed bowling a full toss that was rightfully hit to the boundary for four. He quickly came to his senses and bowled a great Yorker to claim the second wicket of the innings. Atticus, Ryan, Tom, Noah, Zac and Daniel all continued with consistently strong bowling to restrict Pendle Hill to only a handful of runs. With the shortened innings, the final two overs proved decisive for the boys, with Atticus starring with the ball and claiming two wickets in his second over and Ryan closing out the innings also claiming another scalp with some very accurate bowling.

Our second innings with the bat began with Ben and Tom leading the charge – Ben dispatched the first ball of the innings to the boundary for a crisp four and Tom's diligent batting saw their partnership result in 15 runs without loss. Riley and Noah entered next, both batsman were unlucky as they faced several wides and no balls, making scoring extremely difficult, despite their enthusiasm. Josh came in with some strong batting, only to be caught on one of his most cracking shots by one of his own teammates....well done Tom, showing great sportsmanship, who volunteered to turn to the dark side to make up numbers for Pendle Hill in the field. Daniel followed with a great 2 off his first ball and remained not out for his innings. Atticus was in next scoring some quick runs and also remaining not out. This was followed by Zac who hit a great boundary, Ryan who was limited again after facing numerous wides and Nick who closed out the innings with some spirited running between the wickets.

Atticus was duly awarded player of the day with some great bowling figures of 2 for 3 and having the team's equal second highest score with the bat whilst remaining not out.

The game finished with a win to Baulkham Hills scoring 177 runs, whilst losing 12 wickets at an average of 14.75. Pendle Hill finished on 127 runs, with a loss of 16 wickets for an average of 7.938. Well done to all the boys on a great team effort.

It was a TWO days game played on 29th Oct & 5th Nov, 2016 against Wentworthville Leagues. Baulko won outright. It was an amazing all-round performance by the entire team. We lost the toss & asked to do batting first.

DAY 1

Jayden and Pujan open the batting. They were looking settled but we lost Jayden's wicket in 5th over. Baulko was 1/19 after 5 over.

Smit (vice-captain) went to bat on no. 3. Smit has played sensational inning with controlled aggression. He will surely cherish it. He scored 188 runs with 27 4's, 6 6's and 44 single/double runs. He batted for 45 overs which took 3+ hours. Pujan also gave him great support as his batting partner and scored his highest 35 runs. Pujan got OUT in 28th over. Baulko was 2/125 after 28 over.

Sahil went to bat on no. 4. He was getting along great with Smit. He made 25 runs with 5 4's. He was OUT in 42nd over and Baulko was 3/225 after 43 over.

Dylan went on no. 5 and scored 6 runs. He got OUT in 48th over. Baulko was 4/258 after 48 over.

Rushi went to bat no. 6 and stayed NOT OUT. Smit got OUT in 52nd over. What a knock! Baulko was 5/303 after 52 over.

Tim went to bat on no. 7 and remains NOT OUT.

Overall Smit, Pujan and Sahil batted very well and especially stunning knock by Smit. After 53 over Baulko made 312 runs.

DAY 2

It was a great start for Baulko and their 1st wicket was down in the 4th over. By 11 am their entire team got all OUT on 134 runs. What an amazing bowling effort by Oscar (captain). He took 3 wickets for 9 over and only gave 7 runs. He was in amazing touch. Tim, Sahil, Smit, Pujan and Rushi took 1 wicket each. Blake and Timmy also got run out their players. Well done Timmy and Blake. What a great fielding effort!

Wenty Leagues started their 2nd inning and got all OUT on 52 runs again within 45 minutes and while 6 minutes was remaining to finish the day. It was the sensational team effort by Baulko.

Timmy gave us great start. In his 1st over he got 2 wickets in a row. Both the opponent players got OUT on duck. Well done Timmy! Again it was a great show by Oscar (captain). He took 6 wickets and well supported by wicket keeper Pujan. In Oscar's bowling Pujan took 3 stumpings and 1 caught behind. It was the amazing bowling by Oscar and great wicket keeping by Pujan. It was truly captain's great bowling performance and Oscar took these 6 wickets in 4 overs and only gave 12 runs.

Smit and Sahil took 1 wicket each.

It was a great team effort. The Baulko team would be proud of their cricket. Captain (Oscar) and Vice-captain (Smit) lead from the front in bowling and batting respectively. Hopefully team will carry this great momentum forward.

Wenty is always a challenge for our boys as they are a strong team with quite a few good players, our boys knew they had a hard game ahead of them.

Wenty won the toss and sent us in to bat, we had only 10 players on Day 1 so batting was the best option but we needed to see out our overs.

Pat and Shubham were the selected openers and this being Shubham's first time as an opener was a good chance for him to see some of the comp's best bowlers first hand. Unfortunately things did not start well for us, Wenty's bowlers were at the top of their game and had our boys 3/8 off 5 overs. Our middle order steadied the ship and it was another 20 overs before Wenty struck again, having Jay caught for a hard fought 15. Steve joined Aadi at the crease and the runs flowed reasonably well with Aadi taking advantage of some loose bowling, and some clever placement before he was bowled for 42. A great innings at a time where we needed somebody to stand up and spend a decent amount of time in the middle. Karthik came to the middle and also looked to push the run rate along scoring a quick 11 runs before being caught. Steve was next to go through an unfortunate run out when he was on 16, we were bowled out with the total on 131.

Not our best day with the bat but the boys defend well and the game is not lost until the last ball is bowled. The boys are keen to shut Wenty down and protect their lead on the table.

Day 2 - Wenty started strong with the bat and showed their intent with some great stroke play and a bit of help from some sloppy fielding. It was not until the 8th over when we had our first wicket but the runs flowed steadily until the 2nd wicket in the 20th. The 2 openers were gone and with some persistence from our bowlers the run rate slowed but wickets did not come as quickly as the boys hoped and they grew quiet in the field. At 4/97 in the 40th over with 29 overs up their sleeve and only needing 35 runs, it looked like Wenty might get home. Whilst Coach was still confident the parents were getting nervous for the boys.

Patience and persistence paid off and within 23 runs it was all over, Karthik bowled well finishing with 3/12 off his 10 taking 2 in his last over. Steve, Liam, Lachy, Shubham, Brendan, Will and Jay all finished with a wicket each. Karthik also took 2 catches (1 off his own bowling) Pat, Braydon and Aadi 1 catch each.

Tony's motto of "it's not over until it's over" proved once again that you don't give in until the last ball is bowled. The boys were ecstatic with the win but hats off to Wenty for putting up a great fight, this game was a great one to watch even if it had some heart in mouth moments.

Well done boys

This match was almost a case of déjà vu. David Banks won the toss and batted as is his want. Again, Ian Renton (53 runs) and Peter Touzel (33 runs) put on a half century opening partners. Their partnership of 73 pushed their average opening partnership above 80 runs. Unfortunately, Peter through his back out by hitting too many boundaries. Dinesh Bhardwaj (47 runs) backed up last week's century with another effortless innings. Again, Dev Moodley (32 runs) stabilised the middle order but it was left to Lachlan Weekly (69 runs) to play the innings of the day and see us reach 300 runs for the second game running.

Again, we failed to make early inroads with the ball with just one wicket in the first hour and another two in the second hour. The difference this game was that Sean Hampstead (5-87) and Lachlan Weekley (2-93) were unable to close the game out as they did last game. Sydney Superchargers, despite sitting at the foot of the table, batted well all day to keep wickets in hand for a final assault in the last ten overs and our bowlers had no answer to their captain who scored 65 not out at better than a run a ball and cleverly farmed the strike to give their team victory with one wicket to spare and 7 balls left.

It was disappointing to score 306 runs and go down but it was an exciting game of cricket and we continue to play good cricket in patches but fielding lapses continue to prove costly for us.

Man of the Match - Lachlan Weekley
